Dear Akron Digital Academy Student/Parent/Guardian:

I regret to inform you that Akron Digital Academy (ADA) will close at the end of the 2017-18 school year. Unfortunately, ADA will not be able to meet financial obligations throughout the 2018-19 school year. It has been an honor and a privilege to serve the Akron and surrounding communities these past several years.

Parents/guardians are reminded that the State of Ohio mandates compulsory education for children between the ages 6 and 18. In an effort to assist you with school transition decisions ADA is hosting a **School Choice Fair on Tuesday, June 19, 2018 from 10:00 AM to 2:00 PM**. Akron Digital Academy Administration will begin the Fair in the auditorium at 10:00 AM for a brief meeting. After the parent meeting the following school options will be available to answer questions and to instruction parents/students regarding enrollment procedures for the 2018-19 school year.

- Akron Prep School K-8
- Akron Public Schools K-12
- EdChoice Representative K-12
- Greater Ohio Virtual School 9-12
- Quaker Digital Academy K-12
- Tow Path Trail High School 9-12

ADA is required to forward all student records to students' current districts of residence. Your student's records will be forwarded to **Akron Public Schools by July 7, 2018**. IF you need further assistance you may contact the following:
